

OUR VISION AND MISSION STATEMENT

We at Arabic Calvary Chapel, see a church so in love with Christ that we are no longer comfortable with worldly dreams, rather we are gripped by a vision to fulfill the Great Commission.

We see a church passionate for the nations, living and giving generously to fulfill the Great Commission.

We see every member of our church filled with the Holy Spirit and empowered by the Holy Spirit to fulfill a personal life mission in the world.

We see unreached people trusting in Christ, becoming disciples, leaders, missionaries and pastors.

We see formerly unreached peoples reaching the remaining unreached peoples.

We see churches being planted at the ends of the earth where Christ is treasured, His Word being taught by well-trained Spirit filled pastors, and people are being transformed by the power of God and filled with HIS spirit.

We see nations being overturned by the love of Christ.

We see things so wondrous they can't be explained. (Habakkuk 1:5)

We are committed to forging partnerships with other Spirit filled churches and organizations who can help us accomplish our global mission.

We will work hard to meet not only the spiritual needs of those to whom we minister but also their physical, mental, and emotional needs.

We recognize that our calling will be driven by a total reliance on the Lord through consistent prayer.
